

## EPIC

**AI-Powered Predictive Maintenance System**

## PRIORITY

**Autonomous Driving Capabilities**

**Auxiliary Features**

**Navigation and Traffic Updates**

**Remote Vehicle Control**

Comprehensive Project Status Report - Q3 2024			
Project Overview		Detailed Progress Metrics	
Category	Description	Current Status	Impact Score
AI-Powered Predictive Maintenance System	Engine Performance	Optimal	8
	Battery Life Monitoring	Optimal	7
	Transmission System Monitoring	Optimal	9
	Tire Pressure Monitoring	Optimal	6
	Brake System	Optimal	7
Autonomous Driving Capabilities	Autonomous Parking Maneuver	In Progress	40
Auxiliary Features	Remote Control of Entertainment System	Pending Review	5
	Parked Car Locator	Optimal	3
	Integration with Smart Home Devices	Optimal	3
Navigation and Traffic Updates	Basic Real-Time Traffic Updates	Optimal	8
	Traffic Data Display	Optimal	8
	Route Suggestion Logic	Optimal	8
Remote Vehicle Control	Remote Control of Air Conditioning	Optimal	8
	Automatic Vehicle Lock	Optimal	5
	Remote Vehicle Control	Optimal	3
	Remote Control Security	Optimal	5

## EPIC

AI-Powered Predictive Maintenance System

## PRIORITY

M
